Creative Education considers all children in the design of the Great Pretender's range of products. We ask our retail partners to recognize the "Every Child" nature of the costumes we produce and take care to remind others of the SNAP (Special Needs Adaptable Product) designation earned by our tunic constructions - a fan favourite among our dress-up range proudly produced in Canada.

Let's get SOCIAL! We love seeing our costumes and retailers represented in media. Contact us at marketing@creative-edu.com to see how we can support your social initiatives in 2021 and beyond. We are loving all the tags and shout-outs on social media, here are some favs!

MESSAGE FROM THE MAKERS:

"Our colouring capes are sold with water-based markers, which means the light coloured inks can wash-rinse-repeat! Although it is worth mentioning each masterpiece should stay out of the washing machine as little kids tend to be fiercely proud of their colourful creations! A great way to stimulate imagination and spark creativity for kids."
